Dear Dr Mueller

REGARDING: Trial License's Terms and Conditions (CRISP Tree-Counting Software, Trial Version)

Thank you very much for your interest in our Tree-Counting Software. In order for you to evaluate our software, we are glad to provide you a limited-use Trial License for your organization.

In the attached document, we have listed the Terms and Conditions of this Trial License. If it is agreeable with your organization, please return a copy of the signed document to us at your earliest convenience.

We shall send you the Tree-Counting Software (limited-use trial version) upon receiving your reply.

Thank you very much and best regards,

Sie-Chiang, HO

CRISP Tree-Counting Software
Limited-use Trial version
License Agreement

By this License Agreement, the Centre for Remote Imaging, Sensing and Processing (**CRISP**) at the National University of Singapore grants you, the **Licensee**, a non-exclusive license to use the CRISP Tree-Counting Software (Trial Version) (the **Software**), subject to the following terms and conditions.

(A) LICENSE: SINGLE-USE TRIAL LICENSE

    (1)   This trial License is granted for the sole purpose of evaluating the Software only.
    (2)   The Software may be installed on one single computer (CPU) for use by one person at a time only. If the Software is installed on a computer connected to a network, the Licensee shall ensure that the Software is not accessible by any other computer over the network.
    (3)   This License is not transferable.
    (4)   This License is non-exclusive.
    (5)   The License is granted for the use of the Software within the Licensee's organization only.
    (6)   The Licensee may allow co-workers in the Licensee's organization to use the Software, provided that all such authorized users of the Software shall comply with the terms and conditions described in this Agreement.

(B) COPYRIGHT AND OWNERSHIP

    (1)   The ownership and copyright of the Software belong to CRISP.
    (2)   All rights related to the Software not expressly granted to the Licensee are retained by CRISP.
    (3)   The Software should be treated as copyrighted material. The Licensee may make one copy of the Software solely for backup purposes.
    (4)   The Software should not be distributed in any way and in any form without the written approval of CRISP.
    (5)   Suitable references and acknowledgment to CRISP must be made in all publications, papers, reports, presentations, or other communications for which the Software has been used as a part of the study being reported upon.

(C) PROHIBITED USE OF THE SOFTWARE

    (1)   The Software may not be decompiled, reverse engineered, disassembled and/or modified in any way.
    (2)   The Software may not be incorporated as a module to any other software program or package.
    (3)   The Licensee is prohibited to sell, license, transfer and/or use the Software in any manner not expressly authorized by this License.

(D) EXPIRY/TERMINATION OF THE TRIAL LICENSE

    (1)   This trial License shall expire **three months** from the date of acceptance of this agreement by the Licensee.
    (2)   If the Licensee or any authorized user fails to comply with any provision of this Agreement relating to use or copying of the Software, the license granted hereunder shall terminate immediately.

(3) CRISP or the Licensee may terminate the trial License before the expiry of the trial period by giving the other party a written notice of License termination seven days in advance.

(4) In the event of expiry or termination of this License, the Licensee shall discontinue use of the Software, destroy all copies of the Software, and certify in writing to CRISP that such copies have been destroyed.

(E) DISCLAIMER

(1) The Software is made available without warranty of any kind, expressed or implied or statutory, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, or conformity with whatever documentation, user manuals or other literature as may be issued by CRISP. The user is warned that the Software is not fault tolerant, and must not be relied upon in situations where financial loss, disruption of business or research, or other loss could occur from an inability to use the Software or from the incorrectness of its output.

(2) The Licensee and all authorized users of the Software agree to defend, indemnify and hold CRISP harmless from any loss, cost expense, claim, liability, demand or cause of action arising in any way from the use of the Software by the Licensee or any authorized user.

By signing below the Licensee has read and accepts the above terms and conditions.
